### SUGGESTION BOX

If you have something you would like discussed and/or addressed by the ATBHA Board of Directors, drop a note or card in the Suggestion Box located at the ATBHA office. It can also be mailed with a "Suggestion Box" notation on the envelope. The box will be opened at each meeting of the Board of Directors and either addressed at that time or at a subsequent meeting, should additional information need to be obtained before it can be properly addressed. We hope this proves to be a useful means of communicating the concerns and/or accolades of our ATBHA members!

A thumbs up and huge thank you to long-time A.T.B.H.A. member Dr. Austin Tinsley. Dr. Tinsley was Johnny-on-the-Spot to notify ATBHA that he had a place of refuge with free board for any horses we heard of that needed to be relocated to higher ground during the devastating floods in areas of Arkansas. Fortunately, we didn't get notification of any, but it's rewarding to know that our fellow thoroughbred horsemen are there and ready to help! THANK YOU Dr. TINSLEY!

NEWS RELEASE August 8, 2019

The Jockey Club Projects Foal Crop of 20,500 in 2020

The Jockey Club Projects Foal Crop of 20,500 in 2020

The Jockey Club is projecting a 2020 North American registered Thoroughbred foal crop of 20,500.

The Jockey Club also announced a revision to the 2019 foal crop from 21,500 to 20,800. This adjustment is based on the number of Live Foal Reports received to date for the 2019 foaling year.

The foal crop projection, traditionally announced in mid-August, is computed by using Reports of Mares Bred (RMBs) received to date for the 2019 breeding season. RMBs are to be filed by August 1 of each breeding season.

"We estimate that approximately 80% of reports of mares bred, which the foal crop estimate is based on, have been received," said Matt Iuliano, The Jockey Club's executive vice president and executive director.

Additional foal crop information is available in The Jockey Club's online fact book at jockeyclub.com/factbook.asp and in the online state fact books.

Stallion owners who have not returned their RMBs for the 2019 breeding season are encouraged to do so as soon as possible. Interactive Registration, which enables registered users to perform virtually all registration-related activities over the Internet, is the most efficient means of submitting RMBs and is available at registry.jockeyclub.com.

"Includes worldwide commingled wagering on U.S. races.

Oaklawn announced their 2020 stakes schedule. Highlighted by four \$1 million stakes races - the \$1 million Rebel Stakes (G2), \$1 million Arkansas Derby (G1), \$1 million Oaklawn Handicap (G2) and \$1 million Apple Blossom Handicap (G1). Their announcement further stated:

"In addition, the richest Kentucky Derby and Kentucky Oaks prep series in the country just got richer with significant bumps to the Southwest Stakes (G3), Honeybee Stakes (G3) and Fantasy Stakes (G3).

"We have so many great things happening now at Oaklawn and it's reflected in our remarkable stakes program scheduled for the 2020 season," Oaklawn President Louis Cella said. "We are especially proud of the increases we made to our 3-year-old series for horses on the Kentucky Derby and Kentucky Oaks trail."

Oaklawn's rich 3-year-old program for colts and geldings begins opening day, Jan. 24, with the \$150,000 Smarty Jones Stakes and culminates closing day, May 2, with the \$300,000 Oaklawn Invitational, which is returning to the schedule following a successful debut in 2019. In between, are the \$750,000 Southwest Stakes, the Presidents' Day Monday feature, which has received a \$250,000 increase over 2019, the Rebel Stakes March 14 and the Arkansas Derby April 11.

Rebel Stakes weekend also will feature three other stakes, including the inaugural \$125,000 Temperence Hill Stakes March 13 for 4-year-olds and up at 1 ½ miles. The race is named in honor of the 1980 champion 3-year-old who won the Rebel, Arkansas Derby and Belmont Stakes (G1), before returning the following year to win the Oaklawn Handicap.

Oaklawn has boosted the purses of all three races in its 3-year-old fillies series in 2020 starting with a \$25,000 increase to the \$150,000 Martha Washington Stakes Feb. 1. Both the \$300,000 Honeybee Stakes March 7 and the \$600,000 Fantasy Stakes April 10 received \$100,000 increases.

The Racing Festival of the South kicks off April 10 with the Fantasy Stakes and is followed the next day, April 11, with the Arkansas Derby and three other stakes – the \$200,000 Carousel Stakes, \$250,000 Oaklawn Mile and \$500,000 Count Fleet Sprint Handicap (G3). The Carousel for filly and mare sprinters received a \$50,000 increase and joins the Derby Day card for the first time.

For the first time in Oaklawn history, the Racing Festival of the South continues past the Arkansas Derby and will conclude the following Saturday, April 18, with the \$1 million Oaklawn Handicap and \$1 million Apple Blossom Handicap. The Oaklawn Handicap for 4-year-olds and up and the Apple Blossom for older fillies and mares both received an increase of \$250,000 over their 2019 purses.

"My father conceived the idea for the Racing Festival of the South in 1974 and since that time it's become one of the most prominent events on the national racing calendar," Cella said. "I think he would be thrilled to see the purses of the Oaklawn Handicap and Apple Blossom at \$1 million each." Oaklawn's 2020 stakes schedule features a total of 33 races worth \$10,700,000. Overall, 15 of the 33 races received purse increases including four Arkansas-bred stakes.

The 57-day season begins Friday, Jan. 24, and continues through Saturday, May 2. See entire stakes schedule on page 10.

### MICROCHIPS AND MICROCHIP SCANNERS

Thoroughbred owners and breeders can now order microchip scanners directly from Pet Travel through a link on The Jockey Club's Interactive Registration page at:

### http://www.registry.jockeyclub.com/registry.cfm?page=dotRegistryHelpDeskMicroFAQ

The Datamars Compact Max Universal Scanner, which is manufactured by Datamars and marketed and distributed by Pet Travel, is available for \$249. (Recently a slight discount has been given for orders to individuals with The Jockey Club affiliation.)

In August 2015, The Jockey Club's board of stewards voted to change certain provisions of the Principle Rules and Requirements of the American Stud Book and microchips will become a requirement for registration for foals of 2017 and later. This enables microchips to be phased in on a voluntary basis for foals of 2016 and enables breeders and owners to establish appropriate procedures with their veterinarian and identifier and to acquire a microchip reader.

"Countries such as England, Ireland, France, South Africa, Australia, and others have instituted microchips as a requirement for registration for several years now," said Rick Bailey, The Jockey Club registrar. "Identifiers at the various racetracks in North America have also reported the microchip to be reliable in confirming identity from the runners importing from Europe, Asia, and other parts of the world."

Microchips are available upon request on a live foal report for 2016 foals and will be distributed for all 2017 foals. There is no increase to the registration fee for either foal crop.

When coupled with the review for written markings, the use of microchips improves the efficiency and reliability of the identification process for all Thoroughbreds, even for those who do not make it to the racetrack.

The Jockey Club recommends that microchips be implanted by a veterinarian or under the supervision of a veterinarian.

**NO NEW STALLIONS SINCE 5/1/19** 

### SOLD/REMOVED FROM ARKANSAS PROGRAM

**BENCH MAKER**, ch, '00, by Alphabet Soup - Captive Great, by Great Above.

## **Stallion Owners**

Please make a copy of the **STALLION & FARM QUESTIONNAIRE** that is printed in this Newsletter, fill it out and return it to ATBHA listing all pertinent information on your STALLIONS & FARM as it is to appear in the upcoming 2020 **STALLION & FARM DIRECTORY** 

**NOTICE TO STALLION OWNERS** 

If your stallion bred any mares, you are required to file a Report of Mares Bred with The Jockey Club and pay the \$35 per mare bred fee BY AUGUST 1st of each year.

You are also required to furnish a copy of that report to ATBHA accompanied by the \$300 annual recertification fee.

HORSEMEN: If you have any changes to your name, address, telephone number, etc. from that which is listed in the Member's section of the ATBHA Stallion & Farm Directory, please notify the ATBHA office so we can maintain accurate records and so we can mail quarterly newsletters and annual incentive awards to your correct address. Your failure to do this will result in your incentive awards check being mailed to the last address we have on record and possibly floating around within the postal system for some time or even being lost.

Thank you for helping us stay up-to-date! Our email is: atbha@att.net Updates to the Stallion listings in the 2019 Stallion & Farm Directory are made quarterly in The ATBHA News under the "Stallions" section (as shown on this page).

## PLEASE

Register Your Foals listing the Breeder <u>EXACTLY</u> the <u>SAME</u> with The Jockey Club and A.T.B.H.A.

### IMPORTANT The JOCKEY CLUB

As part of The Jockey Club's continuing efforts to stream line the registration process for all owners, breeders, stallion owners and breeding farms we encourage you to use our Interactive Registration (IR) web site:

http://www.registry.jockeyclub.com

1) Submit Live Foal/No Foal Reports for the 2019 foaling season. This will help ensure that you receive your Registration/DNA kits in a timely manner. When submitting electronically you will need the dam's name, and her YOB, sex of the foal, foaling date, breeder's name, address & phone number; and

2) Submit Reports of Mares Bred for stallions standing in 2019. This is the easiest ways to submit RMB's and will result in quicker issuance of stallion certificates. Stallion certificates can also be released electronically to save even more time.

Please keep a copy of this and all reports you submit electronically for your information and records.

### QUESTIONS TO ASK YOURSELF

1) Is your mailing address correct at ATBHA to receive your awards checks timely?

2) Have you notified ATBHA to reserve space for an ad in the upcoming 2020 Stallion & Farm Directory? If not, please do so before October 1, 2019.

3) Are you interested in consigning a foal, broodmare or racing stock to the Mixed Sale at ASU? If so, download and submit a consignment form by Sept. 15, 2019.

4) Have you completed your 2018 foal registrations with The Jockey Club? You will NOT receive a hard copy of the Certificate of Foal Registration from them beginning with 2018 foals. You need to check "Registration Status" at registry. jockeyclub.com to make sure everything is complete with all registrations. If there are any issues, they will be posted. Print a copy of the Certificate of Registration for your file. The ATBHA is stamping digital certificates showing they are Registered Arkansas-breds."

5) Have you registered your 2019 foal with The Jockey Club <u>and</u> ATBHA <u>and</u> nominated 2018 foals with ATBHA. Arkansas 2019 registrations and 2018 nominations are both due by December 31, 2019.

## A Message from our President:

By now, I'm sure you have read and/or heard that the four Arkansas-bred stakes race purses were increased to \$125,000 beginning. With the Arkansas Champions Stakes at \$200,000 that will bring our stakes purse total to \$700,000 for 2020.

Arkansas lost a major owner and breeder of thoroughbreds when Richard Hogue passed this month. Richard and Rosetta bred and raced many Arkansas-bred stakes winners. Most were out of mares they had raised. They bred mares in Kentucky to improve their stock and were successful. He loved the racing and breeding and helped our association in the process.

The hot weather we've had lately is tough on some of the horses. I've had a couple mares that needed extra attention to keep them from getting too hot. If their hair coat is dull or they have hair loss on their back or hips, these are signs of heat problems. Not sweating properly is usually the problem and the mares are different all the time, some hot days they are fine, other days they are not, so keep an eye on things during this heat!

I can't wait to see all of the new additions to Oaklawn. I know Deana will be glad to get settled back into the AT-BHA office. She's been working out of a small office at Oaklawn without all of her normal equipment, files, etc.

### FROM THE ATBHA OFFICE

If a picture of the expansion and construction was included in this newsletter, by the time you receive it, the photo images would be totally and completely old news! The construction site literally changes daily, but I'm sure it's still not fast enough for Oaklawn considering the horses will begin arriving in three fast months.

Shortly after I completed the last newsletter I had to move out of our office building. Four days later, Friday of Memorial Day weekend, I had to move again...before Monday. I have been working from Oaklawn's Identifier's desk in the Racing Secretary's Office since that day. No windows, little traffic, but fortunately, so I don't feel totally claustrophobic, the HBPA girls are in front to keep me from feeling incarcerated!

I have no idea when our building will be permanently placed and utilities connected. At the time that you should probably be reading this, it's less than 100 days until the horses begin arriving and less than 160 days until live racing begins. I look around and it's unimaginable how much work they predict to have completed by each of those two dates. In all actuality, it's only been a little over 100 days since the last horses left after the 2019 live meet, so the construction deadlines and the dates for the horses to return to train for the 2020 meet are farther than they seem. Oaklawn is in charge, these deadlines will be met!

<u>PLEASE USE THE NEW FORMS FOR BROODMARE</u> <u>AND FOAL REGISTRATIONS</u>. If you use old ones, it could delay processing your registrations. The forms to be used are available on our website, <u>atbha.com</u>. Also, remember to register new broodmares entering the Arkansas program BEFORE foals are born and attach a copy of her Jockey Club Certificate (front & back) to the Application for Registration of Broodmare. Failure to attach the required copies will delay processing your registrations.

Please CALL ATBHA with any questions you have!
