OBITUARIES

ADRIAN ESPINOSA-ARAGON, 38 of Hot Springs, passed away Monday, March 23, 2021. Born August 5, 1982 in Mexico, Adrian was an exercise rider at Oaklawn Park and had various other jobs from hotwalker to groom, to assistant trainer.

Survivors include his life-long partner, Zaral Aragon Vara; two sons, Daniel Espinoza and Adrian Espinoza Jr.; one daughter, Anneliz Espinosa; his father, Nicolas Espinosa Bonilla; his mother, Manuela Aragon Dircio; three brothers, Edgar Espinosa, Macario Espinosa and Nicolas Espinosa; one sister, Yulissa Espinosa.

Adrian was a member of ATBHA. Our condolences are with his family.

RON THORSON, 73 of Bismarck, passed away February 20, 2021 at his home. Ron attended college on a basketball scholarship and achieved his Master's Degree in Education; a retired educator for 40 years, during which he was a teacher, coach, principal, and school counselor. The highlight of his coaching came in 1983 when he coached the Boys Varsity Basketball team to a Division 1A State Championship.

He relished his friends, co-workers, students, and Church fellows and had fond memories of them all throughout Arkansas, Kansas, Oklahoma, and Minnesota, to name a few. He was a Christian and valued his relationships with God most of all.

Ron was a member of ATBHA. He enjoyed working with thoroughbred horses and owned several at the time of his passing.

Cherished survivors include his wife, Dr. Darline Thorson, three children, Jesse and Ariel Thorson and Dennis Lara. He was a father figure to his step-daughter, Debra Lara; he also left behind a sister, Marcia Nordall, and his Uncle Kenneth Odland. His brother, U.S. Air Force Pilot and Purple Heart Recipient, Second Lieutenant Larry Thorson, preceded him in death during the Vietnam war.

Sincere condolences are with his family and friends.

ROSETTA HOGUE, 88, of Hope, passed away March 27, 2021. She was a co-owner of Hogue's Exxon in Hope, which she and her husband owned and operated for 50 years.

They were active in Hope's First Baptist Church and Lions Club along with several charitable organization in which they donated countless hours of their time and efforts. They were avid Razorback fans and attended many games along side of their family and friends. They were both members of ATBHA for many years and had several horses that made a name for themselves.

Rosetta was preceded in death by her parents, loving and doting husband of 65 years, Richard Hogue, a son, Ricky Hogue, and several brothers and sisters.

Survivors include a daughter, Susan Fackler and her husband, T.J., six grandchildren, eleven great-grandchildren and numerous other family and friends.

ATBHA extends their sincere condolences to her family and friends.

DAVID G JOLLY, born on January 31, 1935 in Richmond, VA. He passed away March 15, 2021 in Hot Springs. The youngest of seven children, spoiled by his older siblings, especially his four sisters.

He graduated from Manchester High School in Richmond in 1954. He attended college at Randolph Macon where he played football, before transferring to Virginia Tech, graduating in 1964. He entered Texas A & M Veterinarian School and graduated in 1968. Upon graduation he looked at postings on the board and a Little Rock, AR posting jumped out at him, so he began his small animal practice at Dr. Mason's Clinic on Broadway. After two years he chose not to work indoors so he moved forward to study large animals, specifically thoroughbred horses, in West Virginia and Maine. He loved Maine, especially Saturday afternoons eating lobster and watching football on TV.

He acquired Stepahead Farm in 1977 and developed it into one of the top Thoroughbred Training Centers in Hot Springs, as well as building his on-site Surgery Center. He loved working his track himself, even into his 80s on his tractor.

"Doc" only owned one race horse, "Glamor & Grit", who won all of his races at Oaklawn that allowed him to pay off the mortgage on his farm, so he promised him the best pasture on the farm forever. Upon Glamor's death he and his wife Jane erected a Memorial at his stall in the barn with flowers and photos to honor his memory. He was buried under his favorite tree in his pasture.

Over the last 20 years, "Doc" worked on catastrophic wound care using regenerative medicine with many injured horses spending months at the farm before going home healed.

(**Obituaries** *continued from page 3*)

He stabled about a hundred horses at his farm every year during Oaklawn's meets and so much enjoyed the many owners and trainers that would stop by to visit him, his door was always open.

After the sale of his farm in the summer of 2020, he and his wife, Jane, moved to town, as he called it, and he loved his new life of watching videos for hours a day of his work over the last 35 years. He told Jane, "I can't believe I did all this work." He loved the location of his new home most of all because it was four minutes to the Track Kitchen and Stubby's Bar BQ, where it was convenient to meet up with close friends.

He was forever consulting with clients all over the world. Over the years he had many foreign exchange students who would live at the farm and train under him, which afforded him the opportunity to visit Mongolia and observe their race horse dynamics. He visited Russia to observe their race tracks, always taking in the knowledge to somehow make his own race track better.

He was devoted to his large family, their children and grandchildren, speaking to several of them every day and always giving advice. Those left to cherish his memory include his wife, Jane Phillips-Jolly; sisters, Ann Motley, of Charlotte, NC, Nancy Gordon, Phyllis Motley and sister-in-law Melba Jolly, all of Richmond, VA; and numerous nieces and nephews.

He was predeceased by his brothers, Thomas and Forest Jolly, of Richmond; and sister, Woodie Eastham, who lived in Hot Springs for many years.

He was a member of the American Veterinary Medical Association, the Arkansas Veterinary Association, Students of Texas A&M, The Century Club, the Oaklawn Jockey Club and Pleasant Valley Country Club in Little Rock, a long time member of ATBHA and was of the Baptist faith.

Special condolences to his family of Arkansas horsemen and their connections. "Doc" along with his opinions and advice will be forever be remembered.

If the Arkansas and Jockey Club registrations for your 2018 and 2019 foals were completed timely, a Registered Arkansas-Bred Stamp has been affixed at the top of the Digital Jockey Club Certificate. If you were late registering a 2018 or 2019 foal, please let the ATBHA office know so the Registered Arkansas-bred stamp can be added to the Digital Jockey Club Certificate.

We strongly suggest you print a copy of the Digital Certificate with the Arkansas-bred stamp to keep for your file!

THE JOCKEY CLUB - INTERACTIVE REGISTRATION

www.registry.jockeyclub.com

If you don't have an account with THE JOCKEY CLUB ("TJC") INTERACTIVE REGISTRATION ("IR"), you absolutely need one if you're in the thoroughbred business. It's simple to sign up and it's totally FREE!

Once you have set up your account and look through it, you'll understand why we stress that you have to have one. Your Jockey Club Certificates are no longer mailed to you. TJC issues digital certificates that are placed in your account. You won't ever lose your Jockey Club Certificates again. You have total control of the assignment of who gets the digital copy of a certificate (ie. your trainer, a racing secretary, sales company, etc.)

We also stress that once Arkansas Thoroughbred Breeders' has put the Registered Arkansas-bred stamp on your foal's digital certificate showing it is a "Registered Arkansas-bred" that you print a copy of the certificate so you have a paper copy of the Jockey Club's digital certificate for your file.

We strongly suggest you watch the two videos on the page where you sign in to The Jockey Club Registry ... one on digital certificates and one on microchipping.

A Message from our President:

Seems like Oaklawn just started the 2021 live meet a couple of weeks ago and here we are, we just closed it out this past weekend. It was great to see the local trainers and owners win some really good purses. I noticed some Arkansas-breds were claimed more this year by bigger racing stables than in the past.

Everyone should have received their incentive awards checks by the time you get this newsletter. Covid-19 can be blamed for the decreased percentages paid for 2020 incentive awards. The breeders awards dropped a few percent, stallion awards dropped roughly one percent, as did the owners' awards. These decreases were due to less on site handle in the casisno, which was totally closed for a period of time last year, then later opened with limited attendance, and through the on site para-mutuel betting because spectators were not allowed to attend live racing, all being a part of the 2020 live racing operating under federal and state Covid-19 Restrictions. I thought since the earnings were about a million dollars less in 2020 that we would stay the about the same. Wrong! But we can't complain as the purses this year were huge and plenty of state-bred races. I was very happy with the field sizes of the Arkansas-bred races and the five Arkansas-bred stakes races. Congratulations to all of the winners of all of our stakes races. The Arkansas-Breeders' Championship stakes closed out the year with some nice horses vieing for a part of the increased purse of $200,000. A Big Congratulations to Tempt Fate and his connections, he proved he could run over a mile.

We still have 20 mares to foal and so far this year foaling season has gone very well. I think Arkansas is one of the few states with foal crops holding its numbers. It's understandable some breeders are cutting back, it costs a lot to raise these horses. Grain prices have increased twice in the past six months. You knew they would increase because the price of beans and corn has almost doubled from what it was a year ago. Hopefully there will be plenty of hay this year since we've had a lot of rain; it's evident warmer temperatures are soon to come - June, July and August are just around the corner!!!

Bill McDowell, President

FROM THE ATBHA OFFICE

2021 Live Race season has come and gone...all in the blink of your eyes! There were 5 stakes races and 87 races, other than stakes, for a total of 92 races restricted to registered Arkansas-breds during the 2021 Oaklawn live meet.

Awards checks have all been mail. If we had your correct address, you should have received and deposited or cashed your checks by the time you are reading this. Please do cash or deposit your checks immediately. No matter the amount, they need to clear our account.

We have registered a lot of new broodmares in the last six months. As Bill mentioned in the President's Letter, Arkansas' foal crops have remained pretty consistent over the years, but with what seems to be an increase in broodmare registrations processed, it's possible we'll see a larger foal crop in 2022. The Oaklawn purses make Oaklawn one of the top race tracks in the country and for the same reason and the percentages paid in incentive awards, it makes the Arkansas breeding program one of the most attractive also.

Have a great summer, stay cool and keep the horses hydrated and shaded from the Arkansas heat too!
