## 2021-2022 Oaklawn Live Meet

Since ATBHA's last newsletter, Oaklawn made yet another historic move by announcing their upcoming live meet will include December race days in the 66-day season. The 2021-2022 live season will begin Friday, December 3rd, 2021 and run through Sunday, May 8, 2022. Oaklawn President Louis A. Cella, who has guided Oaklawn through the most dramatic changes in its history over the past four years said, "We have completed our resort expansion, including the opening of our luxury hotel, spa and event center. Therefore, the timing is right for another expansion - to our live racing season."

Basically, the 66-day season will be on a Friday through Sunday basis, with some exceptions. There will be no racing December 24 through December 26 during the Christmas holiday and no racing on Easter Sunday, April 17. Racing will continue to be offered on President's Day, Monday, February 21, 2022. Mr. Cella went on to say, "We are looking forward to the new format, the additional days will provide a huge economic impact for horsemen, Arkansas Thoroughbred breeders and tourism in Central Arkansas."

Purses for the season are projected to be \$45 million - \$50 million; the highest in America at that time of year, with all allowances races starting at \$100,000.

Oaklawn will offer 2-year-old racing in December. Cella said "we anticipate additional exciting changes in our racing program, including an aggressive 2021-2022 stakes schedule."

The upcoming meet will include bringing back the Natural State Breeders' Stakes for registered Arkansas-bred fillies and mares, 3 years old and up to be run at a distance of 1 mile. The entire restricted Arkansas-bred stakes program will be:

March 5, 2022	Nodouble Breeders' Stakes - 6 furlongs
	Downthedustyroad Breeders' Stakes - 6 furlongs
April 9, 2022	Rainbow Stakes - 6 furlongs
	Rainbow Miss Stakes - 6 furlongs
May 6, 2022	Natural State Breeders' Stakes - 1 mile
May 7, 2022	Arkansas Breeders' Championship - 1 1/16 mile

The purses for each restricted stakes will be \$150,000 with the exception of the Arkansas Breeders' Championship which will be \$200,000. The Rainbow and Rainbow Miss Stakes are for 3-year-olds only, while the others are all 3 year olds and up.

## 2nd Edition of the ATBHA Horsemen's Guide

The 1st Edition of the ATBHA Horsemen's Guide proved to be beneficial to our breeders and owners. As it is an easy and economical way for our members to market their 2021 weanlings, yearlings and 2-year-olds, we will again be offering this opportunity in our 2nd Edition and are expanding this Guide to offer in-foal broodmares as well as foals in these age groups.

Our 2nd Edition is being offered earlier this year to benefit Arkansas owners with registered Arkansas-bred 2 year-olds who would be eligible to race in December of Oaklawn's expanded 2021-2022 race season.

A letter was mailed July 1st to all breeders that would potentially have foals in the age groups listed. The deadline for entries was August 1st to allow sufficient time to put the 2nd Edition of the ATBHA Horsemen's Guide together, have it printed and mailed in September. This guide will be mailed to current ATBHA members and owners that race at Oaklawn.

If you fall into one of those categories, you will be mailed a Guide. If you know of someone that may not be included in the mailing, but that may be interested in purchasing a registered Arkansas foal or in-foal broodmare, please contact the ATBHA office, by phone or email, providing their name and mailing address and a guide will be mailed to them. **REMEMBER: Incentive Awards are paid to Breeders and Owners of Registered Arkansas-breds Annually!**

## OBITUARIES

**HAROLD IVES**, 91, of Hot Springs, formerly of Stuttgart, well-known Arkansas entrepreneur, passed away May 8, 2021. Harold is the father of Tommy Ives, ATBHA Board of Director, and son of Harold Richmond and Lu Vema Ives. He was born July 6, 1929, in Stuttgart. Besides his parents, he was preceded in death by his wife of 61 years, Marilu Harper Ives; and his son, Larry Ives.

Survivors are two sons, Tommy (Donna) Ives of Hot Springs and Garry (Gina) Ives of Stuttgart; daughter, Sharon (Darrell) Dickson of Hot Springs, daughter-in-law, Michele Ives of Wheatley; grandchildren, Heather (Eric) Burns, Daren (Charlene) Ives, Brett (Dagian) Barker, Deena (Shane) Fisher, Tina (Ryan) Harvey, Jennifer (Chris) Baugh and Jacqueline Fowler; one step grandson, Clint Butcher; and 16 great grandchildren.

Mr. Ives quit school at age 14 to work with his dad on the farm. At age 18, he bought his first truck and trailer to haul commodities during the off-season. In 1961, he started Terminal Truck Brokers and in 1984, he began Harold Ives Trucking Company, starting with 40 trucks and 70 trailers and growing to 500 trucks and over 1,100 trailers, which he sold in 1999. He was appointed by then Gov. Bill Clinton to serve on the Arkansas Game and Fish Commission from 1987-1994. In 1996, Mr. and Mrs. Ives were named Garland County Farm Family of the Year.

Some other of Mr. Ives' ventures were farms in Stuttgart and Wheatley, cattle farms in DeValls Bluff and Texas, a hunting club and a western store. He was also a former member of the Board of Directors of First National Bank in Stuttgart. He started flying in 1950 spraying his own crops and continued flying until 1998.

Our sincere condolences are with Mr. Ives' family and friends.

**BETTY G.W. CAROOM**, (Beegie, aka Sugar), born Oct. 18, 1937 in Pine bluff, AR, passed away May 28, 2021 after suffering a stroke followed by a three week recovery effort eventually ending in hospice care at CHI in Hot Springs, AR. Her greatest love in life was raising two boys (Jerry and Scotty) in often difficult and challenging times, steering them with unconditional love to prioritize the Lord, their country, and their family. She often referred to herself and her two boys as the three musketeers and often used the phrase "one for all, all for one."

Beegie was a public school teacher for 38 years where she shared her huge heart for the underdog in this world by teaching many subjects, with her passion being special education. After graduation from high school, she attended Ouachita Baptist University, voted Most Athletic Female athlete two years running ('56-'57) and continuing her education gaining her Masters in Counseling at ASU and for many hours past her masters. The majority of her teaching career was spent serving her students at Camden Fairview, Green County Tech, and into retirement at Hot Springs High School. She used her own resources and made many sacrifices working multiple jobs, including cashing tickets at Oaklawn Park, hostessing at local restaurants, and working at Hot Springs Country Club to provide opportunities not previously available to her family. She volunteered for Red Cross for many years, served at the food pantry at the church and served as a volunteer at Garland County detention center.

Beegie encouraged her boys, her grandchildren, and all those she came in contact with to reach for high achievement and high contribution. She was always present, never missing a football game, baseball game, tennis match, track meet, or any event in which her kids and grandchildren participated. "Sugar" as she was referred to by her grandchildren, was the proudest mama and grandmother any of us could ever have, and we could do no wrong in her eyes.

In recent years, Beegie became a great horse racing fan at Oaklawn Park enjoying her time rooting for her son's horses, her favorites being multiple stakes winners Hoonani Road and Tempt Fate. We had many pictures in the winner circle, but none greater than just one month ago seeing her smile light up the infield after Tempt Fates' victory in the Arkansas Breeders' Championship!

For the past several years, Beegie's constant companion was her rescue dog name Skip. They were awesome together. Once again she showed her heart for those in need of a break in this world.

She is survived by her brother Jay Wilson (Tym); and her two sons, Jerry Caroom (granddaughters Kacie, Anna and Mary Caitlin) and Scotty Caroom (granddaughter Sydney, grandsons, Alex and Ely). She is so proud of the young men and women all of her grandchildren have become.

ATBHA extends their sincere condolences to Jerry, Scotty and their families and the many friends of Beegie.

## THE SLAUGHTER HOUSE PIPELINE.....HELP SLOW THE FLOW

by Linda Robbins, DVM

On the edge of a quiet neighborhood in rural Florence, Mississippi with no sign to mark its location or existence, we reached our destination after a 310 mile road trip from Hot Springs. Nondescript small buildings marked Feed Store and Tack Shop, roll bale lined driveway, barren paddocks filled with horses, donkeys, ponies and mules of every shape, size and condition. Lasting impression.

I was given no option other than pre-pay via PayPal or wire \$1800 in advance before scheduling pick up of the horse. We arrived on time and immediately a man led an unrecognizable horse from a covered pen full of horses. Weak, emaciated, dull coat, dull eyes. Must be the wrong horse was my first thought, but after a quick call to The Jockey Club his identity was verified by tattoo. We loaded and pulled out.

How did my homebred winning racehorse wind up in a kill pen in Mississippi? In April 2020 as the Oaklawn meet was coming to a close, I retired this horse from racing. Fun gelding, won a few races....retired sound but it seemed time to give him a chance at a new vocation rather than dropping him to the lowest claiming ranks. The family that was recommended by a former thoroughbred manager was thrilled and had actually attended a race at Oaklawn and seen the horse. They kept me up to date with his progress through March 2021. Then no further communication. With racing, breeding and foaling season in full swing I was not concerned.

Then the message July 16 from a "FaceBook Kill Pen Angel" making me aware of the predicament my horse was in at a kill pen feedlot in Mississippi. These "Angels" volunteer their time tracking down former owners, breeders or trainers of thoroughbreds which have been positively identified in kill pens. Seems the family I had trusted decided the horse no longer fit their needs and delivered him to the Beebe, Arkansas Horse Sale. After passing through the ring at Beebe on July 9, he arrived at the Mississippi kill pen feedlot within 4 days.

For those of you like me that don't follow horse sales in Arkansas, I have learned that this sale has a FaceBook page where horses scheduled to be sold on the second Friday of every month can be seen online. If a thoroughbred is tattooed, a photo of the tattoo might show up on the sale company page. If photos are made available, i.e. win pictures from a racing career, these might be posted to advertise the horse. Not such great publicity .... but a great way to attract the kill pen feedlot buyers that actually prefer a horse that might command a ransom (bail out) price from concerned owners as opposed to the slaughter price of 40-60 cents per pound.. Going rate for thoroughbred bail out is around \$1800. Slaughter price between \$350-400 for a thin thoroughbred. Expensive lesson well learned.

How to avoid making my mistake? It is strongly advised to have prospective new owners sign a contract before ownership of the horse is transferred. The following points are crucial:

1. New owner is NOT a kill buyer or agent to kill pen feedlot buyer.
2. New owner will not transfer the horse to any auction/sale where the horse may be purchased for slaughter.
3. New owner agrees to give Seller first right of refusal should the horse be sold anytime.

**On June 30 2021 The U.S. House of Representatives passed an Amendment that would ban transport of horses across state lines or to Mexico or Canada to slaughter houses.**

**THIS AMENDMENT HAS NOT YET BEEN ENACTED INTO LAW but would effectively put an end to horse slaughter in the USA as well as the livelihoods of those that profit from this cruel and predatory trade.**

## NOTICE TO ALL HORSE OWNERS Re: Sold as Retired from Racing

The Jockey Club suggests, in addition to your preferred method of documenting horses that you are removing from racing for whatever reason (could be age, physical condition, injured, etc.) and re-homing, that you utilize the form entitled **SOLD AS RETIRED FROM RACING**. This form can be found on The Jockey Club Registry website in the right hand column in Brown. This is the only way to protect the horse from racing again, but doesn't restrict it from being bred, so it's really helped mares who shouldn't run, but are ok for breeding and geldings who retire into show homes or as pets whereby the new owners want the papers, but the sellers want to protect the horse from running.

Additionally, since The Jockey Club began the process of recording and documenting horses SOLD AS RETIRED FROM RACING, utilizing the above mentioned form, over 4,100 horses have been recorded as such. You can see the list of horses whose Jockey Club Certificates are officially stamped across the front page "RETIRED FROM RACING" by visiting the following website:

## ... BREEDERS ... PLEASE...

Register 2021 Foals listing Breeder(s)

**EXACTLY the SAME NAME with both  
The Jockey Club and A.T.B.H.A.**

**This assures future breeder awards  
payments are paid correctly.**

**If breeder is an individual,  
provide A.T.B.H.A. with SSN.**

**If breeder is a corporation,  
provide A.T.B.H.A. with FEIN.**

**IF YOU HAVE ANY QUESTIONS  
CONTACT THE A.T.B.H.A. OFFICE**

If the Arkansas and Jockey Club registrations for your 2018, 2019 and 2020 foals were completed timely, a Registered Arkansas-Bred Stamp has been affixed at the top of the Digital Jockey Club Certificate. If you were late registering your foal and there is no stamp at the top of the Digital Certificate, please let the ATBHA office know so the Registered Arkansas-bred stamp can be added to the Digital Jockey Club Certificate.

**We strongly suggest you print a copy of the  
Digital Certificate with the Arkansas-bred stamp to keep for your file!**

## THE JOCKEY CLUB - INTERACTIVE REGISTRATION [www.registry.jockeyclub.com](http://www.registry.jockeyclub.com)

If you don't have an account with THE JOCKEY CLUB ("TJC") INTERACTIVE REGISTRATION ("IR"), you absolutely need one if you're in the thoroughbred business. It's simple to sign up and it's totally FREE!

Once you have set up your account and look through it, you'll understand why we stress that you have to have one. Your Jockey Club Certificates are no longer mailed to you. TJC issues digital certificates that are placed in your account. You won't ever lose your Jockey Club Certificates again. You have total control of the assignment of who gets the digital copy of a certificate (ie. your trainer, a racing secretary, sales company, etc.)

We also stress that once Arkansas Thoroughbred Breeders' has put the Registered Arkansas-bred stamp on your foal's digital certificate showing it is a "Registered Arkansas-bred" that you print a copy of the certificate so you have a paper copy of the Jockey Club's digital certificate for your file.

We strongly suggest you watch the two videos on the page where you sign in to The Jockey Club Registry ... one on digital certificates and one on microchipping.

# *A Message from our President:*

As I write this, it's a good day to do inside stuff with the outside temperature 98 degrees or so! This hot weather can sure be tough on people working outside, but it's also tough on the horses. When temperatures are as high as what we've been experiencing, you have to watch your foals in case they develop a mild cough, which can last a while, their breathing seems faster than normal and they have a low temperature of around 101.5. Those symptoms are typical for *Rhodococcus equi*. A veterinarian will need to ultrasound their lungs to confirm if that's what the problem is and if it is, the foal would require treatment. Another heat related problem to watch for is the non-sweaters. This usually happens in older mares, however I have seen it in a couple of yearlings years ago. Both require treatment.

I am looking forward to seeing the Arkansas-bred two year-olds running at Oaklawn later this year. The early December opening of Oaklawn's live season is another great opportunity for state bred owners, trainers and breeders. It will also give Arkansas stallions a better chance of having some two year-old winners. For the horsemen and horsewomen from the Hot Springs area, it will allow them to be home for over five months of the year. It's hard to believe that Oaklawn's live season will last that long! It wasn't long ago that live racing was February through April. Times change!

Another benefit of the extended live season, the live handle average will be larger as well as the casino handle on the Friday through Sunday schedule. The increased handles are a benefit to all horsemen in all categories. I believe that Thursday, the day that was dropped off of the live race schedule, would have been the lowest handle and lowest purse day of the week which would bring the daily averages down.

I hope with all of the announcements made early last month everyone is gearing up to have their horses ready for the early opening date. I'm hoping to see a good turn out of Arkansas people as well as Arkansas-bred runners when the gates open December 3rd!

Bill McDowell, President

## ***FROM THE ATBHA OFFICE***

To the right of this page, on page 11, is the 2022 Stallion & Farm Questionnaire. Please make a photocopy of that page, fill it out and return it to the ATBHA office by **September 15, 2021**. We are hoping to get the 2022 Stallion & Farm Directory along with the 4th Quarter 2021 Newsletter in the mail before the end of November. In order to meet that mailing date, we need your assistance getting your information to us so we can finalize the Directory, get it to the printer for printing and then get it mailed to you. With Oaklawn beginning December 3rd and all of the foal and broodmare registrations due by December 31st, we will have a much busier December than in past years. PLEASE PLEASE PLEASE HELP by not being a last minute person this year.

I realize the deadline for 2021 foal and new broodmare registrations is December 31, but we would appreciate you doing your part to get your 2021 foal and new broodmare applications to us earlier this year! Remember, you do not have to have your foal's Jockey Club Registration complete to register them with ATBHA. Just leave their name and Jockey Club number blank on our form.

If your mailing address will be different in January than it was when you received your incentive awards checks this past April, please remind ATBHA to change your address in the State database so you receive your 1099s for 2021 payments and your 2022 awards checks. If you haven't already deposited your 2021 check, please do it immediately. No matter the amount, all checks need to clear our account before we begin a new year.

I hope you are all having a great summer and will have your 2019 foals ready to run as two year-olds on Oaklawn's December live race days. Won't that be fun to watch!
