## Cella Appointed to Equibase Management Committee

Equibase Company announced in December that Louis A Cella, president of Oaklawn Jockey Club, was appointed to serve on the Management Committee of Equibase Company, LLC.

In 2017, Mr. Cella was named president of Oaklawn, succeeding his late father, Charles J Cella, and became the third generation of his family to service on the board of Directors of the Thoroughbred Racing Associations of North America (TRA). Cella has also been a member of The Jockey Club since 2017 and serves as a director of the Thoroughbred Racing Protective Bureau and on the board of Trustees for the National Museum of Racing and Hall of Fame.

Cella fills a board seat vacated by Daisy Phipps Pulito, racing manager of Phipps Stable, who joined the Equibase Management Committee as representative of The Jockey Club in 2016.

The Equibase Management Committee is composed of six members from each of the company's two general partners - The Jockey Club and the TRA. Mr. Cella is one of the six representatives of The Jockey Club.

**OBITUARIES**

**LELAND E SEBA**, of Hot Springs, passed away November 15, 2012.

Mr. Seba grew up on a small, family-owned horse and cattle farm in Northwest Oklahoma. After high school he attended University of Oklahoma, then completed his degree at Harper College in Palantine, ILL. While in Chicago he completed a Dale Carnegie course and was elected president of the class. Leland also attended the National Judicial College at the University of Nevada in Reno, where he was certified in administrative procedures and mediation. Leland also attended the New York Jockey Club School for Racing Officials, where he was certified as a steward.

Leland was recruited to be and became Arkansas' State Steward at Oaklawn Park in Hot Springs, and served in off-seasons as a steward in Illinois, Oklahoma, Minnesota, Kentucky, Florida, Indiana and Pennsylvania. He was widely recognized and sought after for his sound judgment, vast experience and acute sense of justice. Always looked upon by his contemporaries as a leader, Leland served on important committees of various divisions of the Horsemen's Benevolent Protection Association and the United Thoroughbred Trainers Guild.

Before becoming a steward, Leland had a successful career training thoroughbreds for public stables of C.B. & Ross McNeil, W.R. Kelley, Sam Laser, Marvin Warner, Jack Davis, W.O. Bridge, H.H. Weaver and others. He trained a number of stakes winners, including The Nutts, Jontilla, Merry Lady II, Galamar, Cute Kiss, Miss Dipper, Dixafilly, Marpoise, Pet Me and Good Bird.

Leland retired in 2001, after more than 50 years in thoroughbred racing. He and his late wife developed their 80 acre homestead into a 32 lot, upscale residential community near Lakeside School called Fairplay Estates.

Leland was preceded in death by his parents, Dr. W.E. and Mary Seba; his brother, Bill Seba; his wife of 57 years, Dixie Lee Matlock Seba; his son, Stanley Seba; and his daughter, Sondra Seba Hemenway.

Survivors include one son, Brian Michael (Maria Elena) Seba; his grandsons, Ryan Blalock-Seba (Melissa and Ian Seba); his son-in-law, James Hemenway; special friend, Joyce Ellis; and other nieces and nephews.

Leland will be fondly remembered for his services in our thoroughbred industry and will be missed by all whose life he touched in one capacity or another.

ATBHA Board of Directors and members extends its sincere condolences to the Seba family and friends.

**Horses Can See Almost 360 Degrees**

Horses have eyes on the sides of their heads, which makes it easy for them to see nearly all the way around them. However, the position of their eyes makes it hard for them to see directly in front of them, and they also have a blind spot behind them. That's why it's dangerous to stand behind a horse. Since they can't see you, they're likely to become startled and kick you!

**Not Bad for a Little Arkansas-bred Filly  
born and raised on a small farm  
in Fayetteville, Arkansas**

In 2009 at the Keeneland Sale, Jon L Starr sold a weanling Arkansas-bred filly by English Channel out of the mare Bright Generation for \$60,000, the highest paid English Channel foal to sell that year.

Starr was pleased with the price since he had purchased the mare in foal for only \$10,000. After the sale, the foal was sent to Ireland so he lost track of her.

Now, some twelve years later, her name, Lady Ederle, showed up in America in both the Keeneland and Fasig-Tipton catalogs and her progeny made quite a splash!

After only placing in her brief racing career, she has had five foals, two of which are major graded stakes winners.

One of her daughters, Nay Lady Nay, sold for 1.7 million at Fasig-Tipton and then a day later her weanling filly by Frankel brought \$800,000 at Keeneland, the highest paid weanling filly to sell in the U.S. that year. It turns out, also this year, her yearling brought \$1.178 million at the Tattersalls Sale in Europe.

Supplemental Nominations  
to Restricted Stakes Races**

Registered Arkansas-breds NOT previously nominated to the Arkansas-bred stakes program ***must*** submit a Stakes Nomination form\* to ATBHA with payment of the \$2,500, the late supplemental nomination fee, prior to entering their horse in a restricted stakes race.

\* The Nomination Form is available at [atbha.com](http://atbha.com) (under News & Information - Forms)

The applicable form and payment may be delivered to ATBHA prior to entering said horse or may be delivered to the Oaklawn Horsemen's Bookkeeper if arranging for the late supplemental nomination fee to be taken out of your Oaklawn account.

*It can not be stressed enough to all owners and breeders that sell or re-home their horse(s) that you utilize The Jockey Club's "Sold as Retired from Racing" form or a self designed similar form/bill of sale documenting that the horse is being retired from racing, breeding or whatever reason you have for giving or selling it might be. Not all horses make it to the track to race. Not all mares can continue to be bred. It is to your benefit that some type of documentation, signed by you and the new owner, be completed and retained in your files. If it is being retired from racing, if you use The Jockey Club's form as directed, they can ensure that it not ever race again.*

*This form doesn't completely alleviate a horse's previous owner from being tracked down, harassed and intimidated by outsiders if the horse you once owned ends up in the hands of someone other than to whom your horse was initially given or sold, but it is proof that you gave or sold the horse in good faith and with good intentions. There are people out there making it their full time job to track down, harass and intimidate previous owners, whereby causing those owners anguish and frustration, sometimes time and money, for a situation to which they had no control.*

## NOTICE TO ALL HORSE OWNERS Re: Sold as Retired from Racing

The Jockey Club suggests, in addition to your preferred method of documenting horses that you are removing from racing for whatever reason (could be age, physical condition, injured, etc.) and re-homing, that you utilize the form entitled **SOLD AS RETIRED FROM RACING**. This form can be found on The Jockey Club Registry website in the right hand column in Brown. This is the only way to protect the horse from racing again, but doesn't restrict it from being bred, so it's really helped mares who shouldn't run, but are ok for breeding and geldings who retire into show homes or as pets whereby the new owners want the papers, but the sellers want to protect the horse from running.

Additionally, since The Jockey Club began the process of recording and documenting horses SOLD AS RETIRED FROM RACING, utilizing the above mentioned form, over 4,100 horses have been recorded as such. You can see the list of horses whose Jockey Club Certificates are officially stamped across the front page "RETIRED FROM RACING" by visiting the following website:

<https://www.registry.jockeyclub.com/registry.cfm?page=retiredFromRacingList>

*If you have moved within the last 12-14 months, please make sure  
ATBHA has changed your address in the STATE DATABASE so your  
check(s) aren't returned marked "Undeliverable as Addressed"  
"Return to Sender - Unable to Forward" or "Forward Address Expired"*

# STALLIONS

## NEW STALLIONS STANDING IN 2022

(Registered since Publication of 4th Quarter Newsletter)

NO NEW STALLIONS  
Since 2022 Stallion & Farm Directory

## ATBHA RULES & REGULATIONS FOR STALLIONS STANDING IN ARKANSAS

Owners of registered Arkansas stallions must submit a Report of Mares Bred to The Jockey Club on or before August 1st following the breeding season, listing all mares bred to the stallion during that year's breeding season, as required by The Jockey Club Rules and Regulations. A copy of said Report of Mares Bred must be submitted to the ATBHA office by August 1, accompanied by the applicable annual stallion re-certification fee.

To renew a stallion's Arkansas registration, an annual re-certification fee shall be paid on each registered Arkansas stallion that stood in Arkansas only during that year's breeding season. Payment of the annual Stallion Re-certification Fee shall be the obligation of the stallion owner, shall be in the amount of three hundred dollars (\$300) per year, beginning the year after the initial Arkansas registration, shall be due and payable to ATBHA on or before August 1st of the breeding year, and shall be accompanied by a photocopy of the Report of Mares Bred for that year, as set out in Section above.

Updates to Stallions  
listed in the annual  
Stallion & Farm Directory  
are made quarterly in  
The ATBHA News  
under this section entitled  
"Stallions"

## STALLION OWNERS and BREEDING FARMS

Upon completion of the 2022 breeding season, submit your 2022 REPORT OF MARES BRED to The Jockey Club for your stallion(s). This report is due on or before August 1 of the breeding season. It is important that this be done timely so published numbers credit Arkansas accurately with the number of mares bred in our state to Registered Arkansas Stallions.

Additionally, a couple of months after these reports are submitted, a single page will be mailed to you by The Jockey Club. That page is entitled "Electronic Service Certificate - Stallion Authorization Number" - the number listed is the number needed to release your stallion(s) Service Certificates on line. This can be done easily once the stud fee is paid. You are the only one that has that number and the only one that can release the service certificates. You have total control over if and when the Service Certificate is released.

## STALLION OWNERS & BREEDING FARMS

Release **SERVICE CERTIFICATES**  
electronically (on-line) at  
**registry.jockeyclub.com**

2022 Membership Dues  
**MUST BE PAID by 3/1/22**  
to avoid late membership  
renewal fees.

## HORSES ARE FOUND ALL OVER THE WORLD

Scientists believe that horses originated in North America, then spread to Asia and Europe. Due to domestication, horses can be found living on all continents except Antarctica. Horses in North America became extinct over 10,000 years ago, but were then reintroduced by Europeans. The only truly wild horses in existence today reside in Mongolia.

## ... BREEDERS ... ... PLEASE ...

Register ALL Foals listing Breeder(s)

**EXACTLY the SAME NAME with both  
The Jockey Club and A.T.B.H.A.**

This assures future breeder awards  
payments are paid correctly.

If breeder is an individual,  
provide A.T.B.H.A. with SSN.

If breeder is a corporation,  
provide A.T.B.H.A. with FEIN.

**IF YOU HAVE ANY QUESTIONS  
CONTACT THE A.T.B.H.A. OFFICE**

If the Arkansas and Jockey Club registrations for your 2018, 2019 and 2020 foals were completed timely, a Registered Arkansas-Bred Stamp has been affixed at the top of the Digital Jockey Club Certificate. If you were late registering your foal and there is no stamp at the top of the Digital Certificate, please let the ATBHA office know so the Registered Arkansas-bred stamp can be added to the Digital Jockey Club Certificate.

**We strongly suggest you print a copy of the  
Digital Certificate with the Arkansas-bred stamp to keep for your file!**

## THE JOCKEY CLUB - INTERACTIVE REGISTRATION [www.registry.jockeyclub.com](http://www.registry.jockeyclub.com)

If you don't have an account with THE JOCKEY CLUB ("TJC") INTERACTIVE REGISTRATION ("IR"), you absolutely need one if you're in the thoroughbred horse business. It's simple to sign up and it's totally FREE!

Once you have set up your account and look through it, you'll understand why we stress that you have to have one. Your Jockey Club Certificates are no longer mailed to you. TJC issues digital certificates that are placed in your account. You won't ever lose your Jockey Club Certificates again. You have total control of the assignment of who gets the digital copy of a certificate (ie. your trainer, a racing secretary, sales company, etc.)

We also stress that once Arkansas Thoroughbred Breeders' has put the Registered Arkansas-bred stamp on your foal's digital certificate showing it is a "Registered Arkansas-bred" that you print a copy of the certificate so you have a paper copy of the Jockey Club's digital certificate for your file.

We strongly suggest you watch the two videos on the page where you sign in to The Jockey Club Registry ... one on digital certificates and one on microchipping.

# A Message from our President:

I took five yearlings to the Florida mixed sale a few weeks ago and was satisfied with their sales results. The market for decent pedigree, good x-rays and good individual is very good. If you have an x-ray problem or a conformation problem you got a couple of bids and that was it. I was looking forward to warm weather in Florida after what we've had here in Arkansas and I was sadly disappointed. It was cold the entire time I was there, but on the bright side - it was still a good trip.

After December 31, 2021 foal registrations closed, the 2020 registered Arkansas-bred foal crop had a slight increase over the most recent previous years. With late registrations (yearlings) added to those registered as weanlings, we have 288 Arkansas-breds that have been registered with ATBHA. Even though this is a small increase, I am glad to see it. It keeps our Arkansas stakes and other restricted Arkansas-bred races full and hopefully plentiful.

Registered Arkansas-bred total earnings in 2021 increased quite a bit over the previous year, partly because of the December 2021 racing at Oaklawn, which we don't normally have. Also, a lot of registered Arkansas-breds have been doing quite well in open races. In the month of December we paid \$25,000 in bonus purse supplements for a 1st, 2nd or 3rd place finish in open races.

I am excited that our Awards Banquet is being held at Oaklawn Event Center this year. It's a beautiful facility and I think it will be fun evening; really great to be able to get out and be together again! Mark your calendars for two dates - **April 11th to submit your reservations and April 15th to attend the banquet.** I look forward to seeing everyone there!

Bill McDowell, President

## FROM THE ATBHA OFFICE

We are anxiously awaiting year-end figures as to the amount Oaklawn paid into the Purse & Awards Fund in 2021 so percentages for the 2021 awards can be calculated. As soon as this information is received calculations will be made and the process that is required for your checks will begin. There is so much more that goes into this than those not directly involved realize, but please know we want to get your money to you as fast as possible! We always strive to have checks mailed out by the end of March ~ early April and that's what we are planning this year.

We are also working on setting up the availability for you to pay fees by credit card, if necessary. We had this years ago and did away with it because it wasn't being utilized and we had to pay a monthly fee. Now there is no monthly fee. We are hoping we can do this without increasing registration fees, but only time will tell. If things work out, we'll have everything by next month, however, your check is still the preferred method of payment as we both have a better paper trail. That may seem a little old fashioned, but it is what it is - a cleaner paper trail!

We are in need of items for the Silent auction at the Awards Banquet ~ If anyone would like to donate anything we will be grateful for your help. Please let ATBHA know what you will have and a description by the end of March. We will need items at the ATBHA office by April 8th. We are so looking forward to having our Awards Banquet this year after two years without it ~ See you SOON!
