Arkansas-breds at Oaklawn 2021-2022

Another first is in the books!!! Oaklawn wanted live racing in December...it happened!

The 66 day meet included 109 races restricted to Arkansas-breds with restricted purses of $6,760,500. That's a record number of races and a record for restricted purses in a single meet for our state bred program. Included in the 109 races in 66 days were six restricted stakes races, five with a purse of $150,000 each and the final feature at 1 1/16 mile had a purse of $200,000.

The first two of the six 2022 Restricted Arkansas-bred Stakes was March 6, 2022:

As the co-feature for Arkansas-breds the Downthedustyroad Breeders' S. for fillies and mares 3 years old ran with eight entries. Connie K eked out a neck victory over Unbridled Twister followed by Too Pretty to start off the state's stakes program.

The Nodouble Breeders' S. was the other half of the card's Arkansas-bred feature with ten males 3 years old and up. Shortleaf Stable's Gar Hole jumped out in front leaving 5 lengths between he and Souixper Charger, then Bandit Point and Mrs. Beans.

The Rainbow S. with eight male entries was won by Whelen Springs with another five length stakes victory for Shortleaf Stables. Ev's Sherman and Bettys Cash followed the winner.

The Rainbow Miss S. also with eight participants was won by Punchy Girl giving Sara Patterson her first stakes victory. Following her close behind was Pattern Bet, then Derby Day Lassie.

The Natural State Breeders' S. was brought back after a few years, this time at a distance of one mile for fillies and mares 3 years old and up. Eleven entries netted ten starters on race day. The Mary Rose, another Shortleaf Stable owned mare, won convincingly by 9 3/4 lengths followed by Connie K and Kaboom Baby. The Arkansas Breeders' Championship finished the state bred stakes series for the meet. This race showcases what is thought as the premier Arkansas-breds running at this time. At a distance of 1 1/16 mile with a $200,000 purse, Souixper Charger, owned by J & J Thoroughbreds, breezed home by 3 lengths over Bandit Point and Man in the Can.

Congratulations to all who participated, the owners, trainers and connections!

OBITUARIES

Loretta "Retta" Jones Brennan, 64, passed away unexpectedly at her home, Grayrock Farm, in Pearcy, AR, March 31, 2022. She and her husband, Terry ran the farm, training boarding and breeding thoroughbreds.

Retta grew up enjoying and learning all facets of farm life at the farm owned by her Grandma and Grandpa Jones, where she learned how to care for their farm animals and tend to their extensive vegetable garden. It is there that she learned the love of riding horses.

Loretta was preceded in death by her father and mother, TP and Lucille Jones and a sister, Genevive "Jeannie" Finley. She was the youngest of three daughters. The sisters grew up helping their parents at the family-owned Brady Mountain Resort on Lake Ouachita. Retta could be found water skiing on any warm and sunny day. Her parents sometimes made the girls host sightseeing trips on the lake Ouachita tour boat. She was a welcoming, gracioius and generous person, always willing to lend a helping hand, share a laugh, give a hug or prepare a meal.

Retta is survived by her husband, sister Patsy Haynes and brothers in law Danny Hayes and Dick Finley, her children and grandchildren Zac & Abigail Jumper, their children Annabel, Lila Fay and Holt of Knoxville, TN, Whit & Molly Jumper, their children Lily, Lucille, Genevive and Pierce of Austin, TX, Jena Petro & Karie Hobby, their daughter Ally of Hot Springs, Kara Petro of Hot Springs, Blair Brennan and daughter Nola of Lawrence, KS, Lauren & Chris Mayo of Hot Springs and Marci & Bryan Lowery and their children Caddo and Abe of Hot Springs.

Our sincere condolences are with Loretta's family and friends.

How do horses stay in such great shape?

They keep a stable diet, of course!

STALLION OWNERS and BREEDING FARMS

Upon completion of the 2022 breeding season, submit your 2022 REPORT OF MARES BRED to The Jockey Club for your stallion(s). This report is due on or before August 1 of the breeding season. It is important that this be done timely so Arkansas and their stallions are accurately represented.

Make sure you print a copy of what you submit before you close out of the program or you won't be able to get one. ATBHA should be mailed a copy of that report along with the $300 Re-certification fee.

A few months after these reports are submitted, a single page will be mailed to you by The Jockey Club. That page is entitled "**Electronic Service Certificate - Stallion Authorization Number**" - the number listed is the number needed to release your stallion(s) Service Certificates on line. This can be done easily once the stud fee is paid. You are the only one that has that number and the only one that can release the service certificates. You have total control over if and when the Service Certificate is released.

Updates to Stallions
listed in the annual
Stallion & Farm Directory
are made quarterly in
The ATBHA News
under this section entitled
"Stallions"

ATBHA RULES & REGULATIONS

for REGISTERED ARKANSAS STALLIONS STANDING IN ARKANSAS

Owners of registered Arkansas stallions must submit a Report of Mares Bred to The Jockey Club on or before August 1st following the breeding season, listing all mares bred to the stallion during that year's breeding season, as required by The Jockey Club Rules and Regulations and pay TJC applicable fee. A copy of the Report of Mares Bred must be submitted to the ATBHA office by August 1st, accompanied by the applicable annual stallion re-certification fee.

ATBHA's Stallion Re-Certification Rule: To **renew a stallion's Arkansas registration**, an annual re-certification fee shall be paid on each "registered Arkansas stallion" that stood in Arkansas only during the year's breeding season. Payment of the annual Stallion Re-certification Fee shall be the obligation of the stallion owner, shall be in the amount of three hundred dollars ($300) per year, beginning the year after the initial Arkansas registration, shall be due and payable to ATBHA on or before August 1st of the breeding year, and shall be accompanied by a photocopy of the Report of Mares Bred for that year, as stated in ATBHA Rulels & Regulations.

A Message from our President:

I'm glad foaling season is over and breeding season is almost over. I'm ready to start doing other projects. Breeding is time consuming, with teasing, palping and catching them when there scattered out in six different pastures. But...it sure is nice to look out in the pastures and see all of the foals this time of year.

Oaklawn was a great spot for our banquet and the food was also very good. I always forget to thank my wife, Mary, at the Awards dinner. She gathers alot of the auction items throughout the year instead of waiting until the last minute, like I did on writing this letter! She watches mares at night when the regulars can't and does the office work. She cooks a couple of meals a day for everyone working also. Dang! I wasn't thinking until after I wrote this, she will see it and want to get paid or something!

Hopefully, by the time you read this you've received your awards checks. The delay was out of the hands of the ATBHA office; we are in hopes it will be back on the end of March early April mailing schedule for next year.

I liked the December-May race meet and all of the extra Arkansas-bred races that came with it, including the 2-year-old races. It loks like these dates are oign to be here for a while, so we better get used to it. Having the one mile stakes race for fillies was a hit; also good field size in it and all of the Arkansas stakes this year.

Have a great summer!

Bill McDowell, President

FROM THE ATBHA OFFICE

We had a great banquet - if you weren't there, you missed a good time and some really good food. Michael Blowden of Old Friends in Kentucky was very interesting and the Oaklawn Event Center was perfect!

Your awards checks were not mailed as we said in our first quarter newsletter. We are sorry you were misinformed. The auditors completed their audit May 12th; the files were delivered to the Commission office in Little Rock the following day. They are working to process, print and mail the checks. You should certainly have received them by the time you receive this newsletter. All we can say is we are sorry. Somethings are out of our control, but we do thank you for your patience and understanding. We hope next year you won't have to wait two months longer than normal.

PLEASE PLEASE PLEASE deposit your checks as soon as you receive them. We still have a few from last year that have not cleared our account. I contacted the owners of those and most have cleared, only a few remain outstanding.

THE JOCKEY CLUB INTERACTIVE\REGISTRATION

www.registry.jockeyclub.com

If you don't have an account with THE JOCKEY CLUB ("TJC") INTERACTIVE REGISTRATION ("IR"), you need to sign up for one now! Your account will hold all digital Jockey Club Certificates of horses foaled in 2018 and after.

When issued, the digital Certificate will show you as the Certificate Owner and/or Certificate Manager. I

If you send the horse to a sale company, you will have to transfer ownership and management to the consignor or sales company so they can handle the sale for you.

If you send your horse to a race track you will remain the horse's owner, but you will transfer Management of the Certificate to the race track and to the trainer where your horse will race.

It's important to remember, Certificate Owner and Certificate Manager are two entirely different things.

Once you set up your account and you look through the site, you will understand why we stress that you get an account. You have to have one if you are going to be in the thoroughbred horse business. Hard copies of Jockey Club Certificates are no longer mailed to you. TJC issues digital certificates that are placed in your account. You won't ever lose your Jockey Club Certificates again. You have total control of the assignment of who gets management of the digital certificate (ie. your trainer, a racing secretary, sales company, etc.)

We also stress that once Arkansas Thoroughbred Breeders' has put the Registered Arkansas-bred stamp on your foal's digital certificate (it will show at the top of the certificate) we highly recommend that you print a copy of the certificate so you have a paper copy of the Jockey Club's digital certificate for your file.

We strongly suggest you watch the two videos on the page where you sign in to The Jockey Club Registry ... one on digital certificates and one on microchipping.
