## OAKLAWN 2023-24 LIVE MEET NEARS

Oaklawn released its first Condition Book for the upcoming live meet, covering Dec. 8 - Jan 14, 66 days of racing with 47 stakes races. They announced that total purses for the 2023-2024 meet will be \$66,000,000. The already lucrative purse structure from the previous race season will again increase. Maiden claiming purses will be \$115,000 and allowance purses \$140,000.

The Oaklawn Trainer's and Owner's Incentive Programs for the upcoming meet is an attractive benefit to all trainers and owners.

It's incredible how the handle at the Arkansas casinos furthers what live racing can offer horsemen. It is what draws a lot of them to Oaklawn which positively effects the Arkansas thoroughbred racing industry, the State of Arkansas, the City of Hot Springs, the County of Garland and the businesses and people represented therein.

With all of the excitement, purse increases and trainer and owner bonuses, get ready, December 8th, is just around the corner...the stable gate will be open in less than 90 days!

## 2022 ATBHA AWARDS BANQUET and WINNERS

Louis Cella was the guest speaker at ATBHA Awards Banquet April 7th, 2023, explaining a little of the history between Oaklawn and ATBHA, their relationship over the years and some of the hurdles achieved. Following Mr. Cella was the announcement and presentation of awards for the 2022 racing year.

Ed Anthony accepted the award for Shortleaf Stables, ATBHA's 2022 Breeder of the Year. Broodmare of the Year was her dam, All About Allie, a former multiple awards recipient during her racing career. Stallion of the Year was Street Strategy.

In addition to those awards Stakes Winner plaques were presented to Breeders Drs. ### ATBHA RULES & REGULATIONS FOR STALLIONS STANDING IN ARKANSAS

Owners of registered Arkansas stallions must submit a Report of Mares Bred to The Jockey Club on or before August 1st following the breeding season, listing all mares bred to the stallion during that year's breeding season, as required by The Jockey Club Rules and Regulations. A copy of said Report of Mares Bred must be submitted to the ATBHA office by August 1, accompanied by the applicable annual stallion re-certification fee.

To renew a stallion's Arkansas registration, an annual re-certification fee shall be paid on each registered Arkansas stallion that stood in Arkansas only during that year's breeding season. Payment of the annual Stallion Re-certification Fee shall be the obligation of the stallion owner, shall be in the amount of three hundred dollars (\$300) per year, beginning the year after the initial Arkansas registration, shall be due and payable to ATBHA on or before August 1st of the breeding year, and shall be accompanied by a photocopy of the Report of Mares Bred for that year, as set out in Section above.

### STALLION OWNERS and BREEDING FARMS

Upon completion of the 2023 breeding season, submit your 2023 REPORT OF MARES BRED to The Jockey Club for your stallion(s). This report is due on or before August 1 of the breeding season. It is important that this be done timely so Arkansas and their stallions are accurately represented.

Additionally, a couple of months after these reports are submitted, a single page will be mailed to you by The Jockey Club. That page is entitled "Electronic Service Certificate - Stallion Authorization Number" - the number listed is the number needed to release your stallion(s) Service Certificates on line. This can be done easily once the stud fee is paid. You are the only one that has that number and the only one that can release the service certificates. You have total control over if and when the Service Certificate is released.

# *A Message from our President:*

I hope everyone has seen the first Condition Book for Oaklawn's upcoming live meet. Maiden Special Weight purses are \$115,000 and Allowance purses are \$140,000. A \$12,500 claiming race has a \$35,000 purse. It would be a good time to have a good horse bred in any state racing at Oaklawn, especially an Arkansas-bred! The stable gate will open early November and the live racing days will follow a month after. We'll all be hard at it again.

It is raining here today so it's a good time to be inside working on this letter for Deana, the one she wanted last week! It's actually been a great summer rain wise for our area, every time you think you need a rain, you get one. The heat has been a different story - I've had more trouble this year with horses over heating. I know it's the humidity or heat index, as they call it now. If you overlook a foal out in the pasture that's a little sick, that's gotten too hot and the temperature climbs to 100 degrees, there's a good chance the foal will die. I almost lost a mare and foal because of the heat. Fortunately, I caught it in time, brought them both up and worked to get their body temperatures down. They are doing fine now. At least we're having a break from that heat this week and today it's raining!

There are 30 Arkansas-bred yearlings in the Texas yearling sale August 28th; only one is mine. This should be a good sale, it sure has proven to be the last few years. Thirty is a huge number of Arkansas-bred entries for that sale, it's usually around 5!

Hope everyone is doing well during these hot months and looking forward to the cooler crisp fall days to come.

Have a great what's left of summer,  
Bill McDowell, President

## **FROM THE ATBHA OFFICE**

Several awards checks were returned because of incorrect addresses. They have all been reissued and remailed. If you haven't received your awards check that was mailed in April, please contact the ATBHA office. Please cash or deposit your checks promptly!

It's not long until we start work on 2024 Stallion & Farm Directory. Please copy the adjoining page, the 2024 Stallion & Farm Questionnaire, fill it out and return it to the ATBHA office. If you don't have a copy machine, we have placed it on a page that won't destroy your newsletter when you remove it. Even if you don't have a stallion, please complete and return this form with your farm information. You are an integral part of the Arkansas thoroughbred industry and we need you to be counted. We use this form for data regarding our thoroughbred industry and thoroughbred farms in our state. We do not share the information with others. If you don't want it listed in the directory, write "for informational purposes only - do not share."

We are already registering 2023 foals. THIS IS YOUR REMINDER to register your 2023 foals before ATBHA's December 31st weanling registration deadline. While stamping the digital Jockey Club Certificates we found a quite a few 2021 and 2022 foals that were registered with The Jockey Club, but not registered with ATBHA. If a foal hasn't been registered with ATBHA, but has completed its registration with The Jockey Club, we will have no registration number to affix on the digital certificate. That's when we find out there is an unregistered Arkansas foal. By then its Arkansas registration is late. ATBHA's registration deadline is December 31st of the foaling year. The Jockey Club's registration deadline is one year from the actual date of foaling. It is for this reason that I stress for people to make a habit of checking all of their Arkansas registrations no later than the first week of December. If you aren't sure if something has been done or needs to be done, we are only a phone call or email away.

The 2024 Awards Banquet will be Friday, April 12th. We will again have the General Membership Meeting prior to the banquet and we will ask the racing office to not schedule a restricted race as the last race of that day.
