REGISTRATION RULES AND REGULATIONS FOR ARKANSAS STALLIONS

The following registration rules and regulations pertaining to Stallions have been adopted by the ATBHA and approved by the Arkansas Racing Commission:

Stallion Registration

A. In order to be registered with the ATBHA as a "registered Arkansas thoroughbred stallion" the registration must be accomplished on or before May 1st of the breeding season which produced the foal sought to be registered as an "Arkansas-bred thoroughbred horse" and the stallion must stand only in the State of Arkansas that entire breeding season and may not stand in any other state that calendar year.

B. To register a stallion as a "registered Arkansas thoroughbred stallion" an Application for Registration of Stallion must be completed in full and signed by the owner or his/her authorized agent and together with a copy of his Jockey Club Registration Certificate, including the section showing ownership transfers, must be filed with ATBHA by the May 1st deadline accompanied by the appropriate registration fee.

C. Should a stallion change ownership, the new owner must re-register said stallion with ATBHA to be eligible to receive Stallion Awards. Once registered, stallion owner will be entitled to Stallion Awards based on the registered Arkansas-bred progeny's earnings of said stallion until he again changes ownership. Stallion awards are paid annually. If a stallion is sold or otherwise changes ownership, the new owner must re-register said stallion in order for that stallion's registration status to remain uninterrupted.

D. Owners of registered Arkansas stallions must submit a Report of Mares Bred to The Jockey Club on or before August 1 following the breeding season, listing all mares bred to the stallion during that year's breeding season, as required by The Jockey Club Rules and Regulations. A copy of said Report of Mares Bred must be submitted to the ATBHA office by August 1, accompanied by the applicable annual stallion re-certification fee.

E. To renew a stallion's Arkansas registration, an annual re-certification fee shall be paid on each registered Arkansas stallion that stood in Arkansas only during that year's breeding season. Payment of the annual Stallion Re-certification Fee shall be the obligation of the stallion owner, shall be in the amount of three hundred dollars (\$300) per year, beginning the year after the initial Arkansas registration, shall be due and payable to ATBHA on or before August 1st of the breeding year, and shall be accompanied by a photocopy of the Report of Mares Bred for that year, as set out in Section D above.

Arkansas Stallion's Fee Schedule:

	Members	Non-Members
Stallion Initial Registration	\$300.00	\$500.00
Annual Re-certification	\$300.00 (after initial registration year)	

NOTE: Any member of ATBHA who has not paid membership dues by March 1st will lose his/her membership status and be required to pay registration fees at the non-members rate unless membership renewal is brought current by payment for any and all years of non-renewal at the late membership rate, when applicable.

ATBHA reserves the right to make such additional investigations or inquiries it deems necessary on stallions for which registration or re-certification is sought. There are no citizenship or ATBHA membership requirements, although there are different fees applicable for registration by members in good standing and registration by non-members, as shown above.
